

The first part of the report is devoted to a general survey of the situation in the country. It is followed by a detailed account of the work done during the year. The report concludes with a summary of the results and a list of references.

Summary of the results of the work done during the year

The results of the work done during the year are summarized in the following table. The table shows the number of specimens collected, the number of specimens examined, and the number of specimens deposited in the museum.

Category	Number of specimens
Total specimens collected	1234
Total specimens examined	567
Total specimens deposited in the museum	345

The following table shows the number of specimens collected in each month.

Month	Number of specimens
January	123
February	145
March	167
April	189
May	210
June	232
July	254
August	276
September	298
October	320
November	342
December	364
